

WINJAY buy and rent FAQ

When purchasing a WINJAY software licence for our range of products, you can choose between one-time-buy or pay-as-you-go (rent). Herein we have collected the most frequently Questions & Answers about these formulas.

Thanks to the "add-ons" structure, your application may be configured in many different ways depending on the specific requirements, so you can purchase only the Starter module + the specific features required, saving valuable money.

Q.☰ What are the main advantages of the pay-as-you-go licence comparing to one-time-buy ?

A.☰

- 1) You don't need to face any initial cost for purchasing the licence.
- 2) Support and updates is included within the pay-as-you-go, you have the right to access our support service and keep your application updated to the very latest version and released features.

Q.☰ Let's suppose I rented a WINJAY application for a long period already and decide to buy it, do I need to pay for the full one-time-buy price again?

A.☰ After 24 months of **uninterrupted** pay-as-you-go, we offer you the right to redeem the rented software by paying only a 20% fee of the items' list price, or you can just continue to pay-as-you-go.

Q.  Is there any minimum required period for renting a WINJAY application?

A.  You can rent (pay-as-you-go) for as short as 1-month for the same monthly price as longer periods.
